

We are looking for students of all grades who would like to be a part of Blueberry Hill's Community Service Club for kids. Being a part of this club allows you to help out at many events we will have throughout the school year.

- Collecting donated items from classrooms
- Delivering goods to shelters
- Making and holding signs during the carlines
- Announcements in the morning or during lunches
- The list goes on!

Some of the help will be during school hours and some will be before or after school hours. We will select students from the list of those that joined the club to help run and coordinate the different events. Meetings will take place after school.

Please return this slip ASAP if your child would like to participate in the Community Service Club this year!

Please return to the office in the collection box.

Any questions, please email Christine Weyer, 6weyers@gmail.com or Jillian Jusko, novasajm@gmail.com
