

# PSI STEM Summer Camps for 2<sup>nd</sup>-6<sup>th</sup> grade (Applies to Existing and Entering Grades) (Register by Friday June 16<sup>th</sup>)

For additional information/questions on our programs, please contact us.  
Phone: (413) 575-1309, Email: [director@psinquiry.org](mailto:director@psinquiry.org), Web: <http://www.psinquiry.org>

**1. STEM LEGO Robotics: The Need for Speed!** (You'll be paired with your age/grade)  
Join us for some serious fun as you design, build, and program various robots built for speed! Builders work at their own pace, the more advanced the more complex they can make their robot. We'll also play team-oriented games every day!

**When:** Monday-Friday June 26<sup>th</sup>-30<sup>th</sup>; 9:00 am - 12:00 pm  
**Where:** Bay Path University, Longmeadow **Class:** Limited to 12 (first come, first serve)  
**Cost:** \$195/student (we offer 10% sibling discount for the same class)

**2. Crime Scene Investigation: Forensics**  
A crime has been committed and we need your help! Using forensic science techniques, you'll collect and analyze clues to solve a mystery. You'll use chemistry, biology, microscopes, and even extracting DNA to analyze clues. We'll take time out to play fun team-oriented games.

**When:** Monday-Friday June 26<sup>th</sup>-30<sup>th</sup>; 12:30 - 3:30 pm  
**Where:** Bay Path University, Longmeadow **Class:** Limited to 12 (first come, first serve)  
**Cost:** \$195/student (we offer 10% sibling discount for the same class)

**\*\*Sign up for a full day during this session and save \$20\*\***
